TODAY'S NEWS

Planting of Trees at

Yorkshire Dales 17th of March 2018

Fellow Lions we have been invited to plant trees at Yorkshire Dales on the 17th of March from 10.00am till 3.00pm. If you are interested we could travel there and back in a couple of cars in one day. LS Narinder and I did this before. The above area will be converted to a forest / dense wood. Please let LS Narinder or myself know if you are interested in making a visit.

This is where we have paid for planting 20 trees since Redbridge Centennial Lions Club was formed
